Conference Rules and Regulations

These rules are designed to ensure that all participants enjoy a maximum learning experience in an environment conducive to an exchange and sharing of ideas and concepts. Your cooperation in abiding by these rules is expected. Conference participants who violate these regulations will be subject to disciplinary action, which may include being sent home and/or a report made to the participant's parent(s) or guardian(s) or administrator. Program participants are expected to abide by these conference regulations regardless of age.

ATTENDANCE: Your participation and attendance at workshops and general sessions is mandatory. Participants must remain on the conference premises at all times.

BEHAVIOR: All participants are expected to conduct themselves in an orderly manner. Behavior which falls below generally accepted standards may result in removal. The volume of radios and television will be kept at a reasonable level. Headsets for CD players/radio/cassette are NOT to be used during conference times.

CURFEW: Participants must be in their room by curfew each night. Participants are expected to remain in their rooms from curfew until wake-up (no trips to candy, pop or ice machines). Phone calls from room to room after curfew are prohibited.

PROPERTY DAMAGE: Intentional damage or theft of hotel or personal property is strictly prohibited. Disciplinary action will include financial remuneration for such damage or theft.

SAFETY: The burning of candles is prohibited in rooms. Tampering with fire alarms, fire-fighting equipment, or other safety and security equipment is strictly prohibited.

SMOKING: This is a drug-free conference. Thus, the use of cigarettes, pipes or cigars by adults or students is not permitted.

USE OF ALCOHOL OR OTHER DRUGS: Any participant found to be under the influence of or in possession of alcoholic beverages or other drugs will be immediately removed from the conference. Use of any substance for medicinal purposes must be approved by the medical staff.

ROOMS: Male and female students will be housed in separate rooms. Opposite sex persons are not permitted in student rooms, **even when an advisor is present.**

Disciplinary Actions

An offending student's advisor will be involved in disciplinary decisions. However, final action will be taken by the conference administration.

1. **VERBAL REPRIMANDS** may be administered by any faculty advisor or conference administration. This action assumes a momentary lapse of unacceptable behavior that is deemed hazardous to the individual or to others.
2. **TIME-OUTS** will be negotiated by the offending student, his/her faculty advisor and conference administration. Any time-out established will be randomly monitored by an assigned adult. Time-out is understood to mean being assigned to one's room for a designated period of time.
3. **DISMISSAL** – Contact will be made with the offending student's parents by the conference administration. Parents will pick up their son/daughter, if possible, or will arrange travel. An official letter of dismissal will be sent to the student and the student's school.
